

- LEGEND:**
- Swansea BESS construction of 100MW capacity BESS
- Applicant: Statkraft UK Ltd
 - 2023/0889/FUL
- Swansea Greener Grid Park for six synchronous compensators
- Status: Permission granted 07 July 2023
- Construction commenced August 2024 and currently underway
Applicant: Statkraft UK Ltd
 - 2024/1530/SCR
- Scoping opinion for Llettyscilp Farm Energy Storage System 400 MW BESS and substation
- Status: Decision 23 Sept 2024, EIA not required
Layout as obtained from Innova.co.uk/projects
Applicant: Innova Renewables
 - 2024/2380/SCR
- Screening Opinion for 250 MW BESS
- Status: Submitted 16 Dec 2024, awaiting decision
- Applicant: EDF
 - 2023/0180/SCR
- Screening Opinion for a solar farm 9.9MW with battery storage
- Status: Decision 02 Mar 2023, EIA not required
- Applicant: Ecap Renewables Penllergaer
 - 2024/0360/SCR
- Screening Opinion for BESS
- Status: Decision 05 Apr 2024, EIA not required
 - 2024/1634/FUL
- Erection of battery energy storage system
- Status: Permission granted 06 Feb 2025
- Applicant: FRV Powertek
