

Mylen Leah Solar Farm

About Mylen Leah Solar Farm

Mylen Leah Solar Farm is a proposed new solar farm located between the villages of Seaton Ross, Melbourne, Laytham, Ellerton, East Cottingwith and Foggathorpe in the East Riding of Yorkshire.

If consented, Mylen Leah Solar Farm would have a capacity of approximately 500 megawatts (MW), generating enough clean, electricity to power the equivalent of around 180,000 homes, strengthening the UK's energy security.

We are inviting you to take part in our statutory consultation, which runs from Thursday 16 April to Thursday 28 May 2026.

How to contact us

If you have any questions or comments, or would like to be kept up to date on the project, please sign up for updates on our website or contact our Community Relations Team using the details below:

Website: Mylenleah-solar.co.uk

Email: community@mylenleah.com

Phone: 0800 772 0134

How to get involved

We are hosting a series of in-person events and online webinars, the details of which are set out below.

You can register to attend our webinars on the project website or by sending an email to the Community Relations Team.

We invite you to attend these events, where the project team will be available to discuss the project in more detail and answer any questions you may have.
