Grid Reference: 282767 968497

Distance to nearest turbine: 9808m

AOD: 73m

This viewpoint is located at Strathy Point.

From the A836 between Tongue and Thurso, take the turning signposted to Strathy Point. Continue up the track to the parking area. Park here.

The camera location is back up the track towards the A836 up of the high ground as shown in the adjacent photograph.

Extent of 50mm single frame image

Photomontage

Figure 6.18h
Viewpoint 7
A836 Strathy Point

Distance to nearest turbine: 9808m

Camera: Nikon D610

Focal Length: 50mm vertical (27°) x 28mm horizontal (65.5°)

Camera height: 1.5m

Date: 16/07/2020 15:27

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
