This viewpoint is located approximately 6km West of Thurso.

Travelling west from Thurso on the the A836 towards Tongue, you will pass Thurso Business Park on your left and then the junction for the A9 Scrabster on your right. Continue on the A836 for approximately 5.5km at which point you will come to a bungalow on your right with an attached garage and a side road. There is a flagstoned field boundary on your left. Find a suitable location to park here.

The camera location is on the A836 roadside at the head of the bungalow's perimeter wall.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
