Grid Reference: 296635 964825

Distance to nearest turbine: 4909m

AOD: 22m

This viewpoint is located in Reay.

Travel west from Dounreay on the A836 for approximately 4km. You will arrive at the cemetery in Reay on your right. Find a suitable location to park.

The camera location is on the right hand side of the A836 outside the entrance to the cemetery as shown in the adjacent photograph.

Extent of 50mm single frame image

**A836 Reay**

Distance to nearest turbine: 4909m      Camera: Nikon D610      Focal Length: 50mm vertical (27°) x 28mm horizontal (65.5°)      Camera height: 1.5m      Date: 18/04/2019 09:47

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

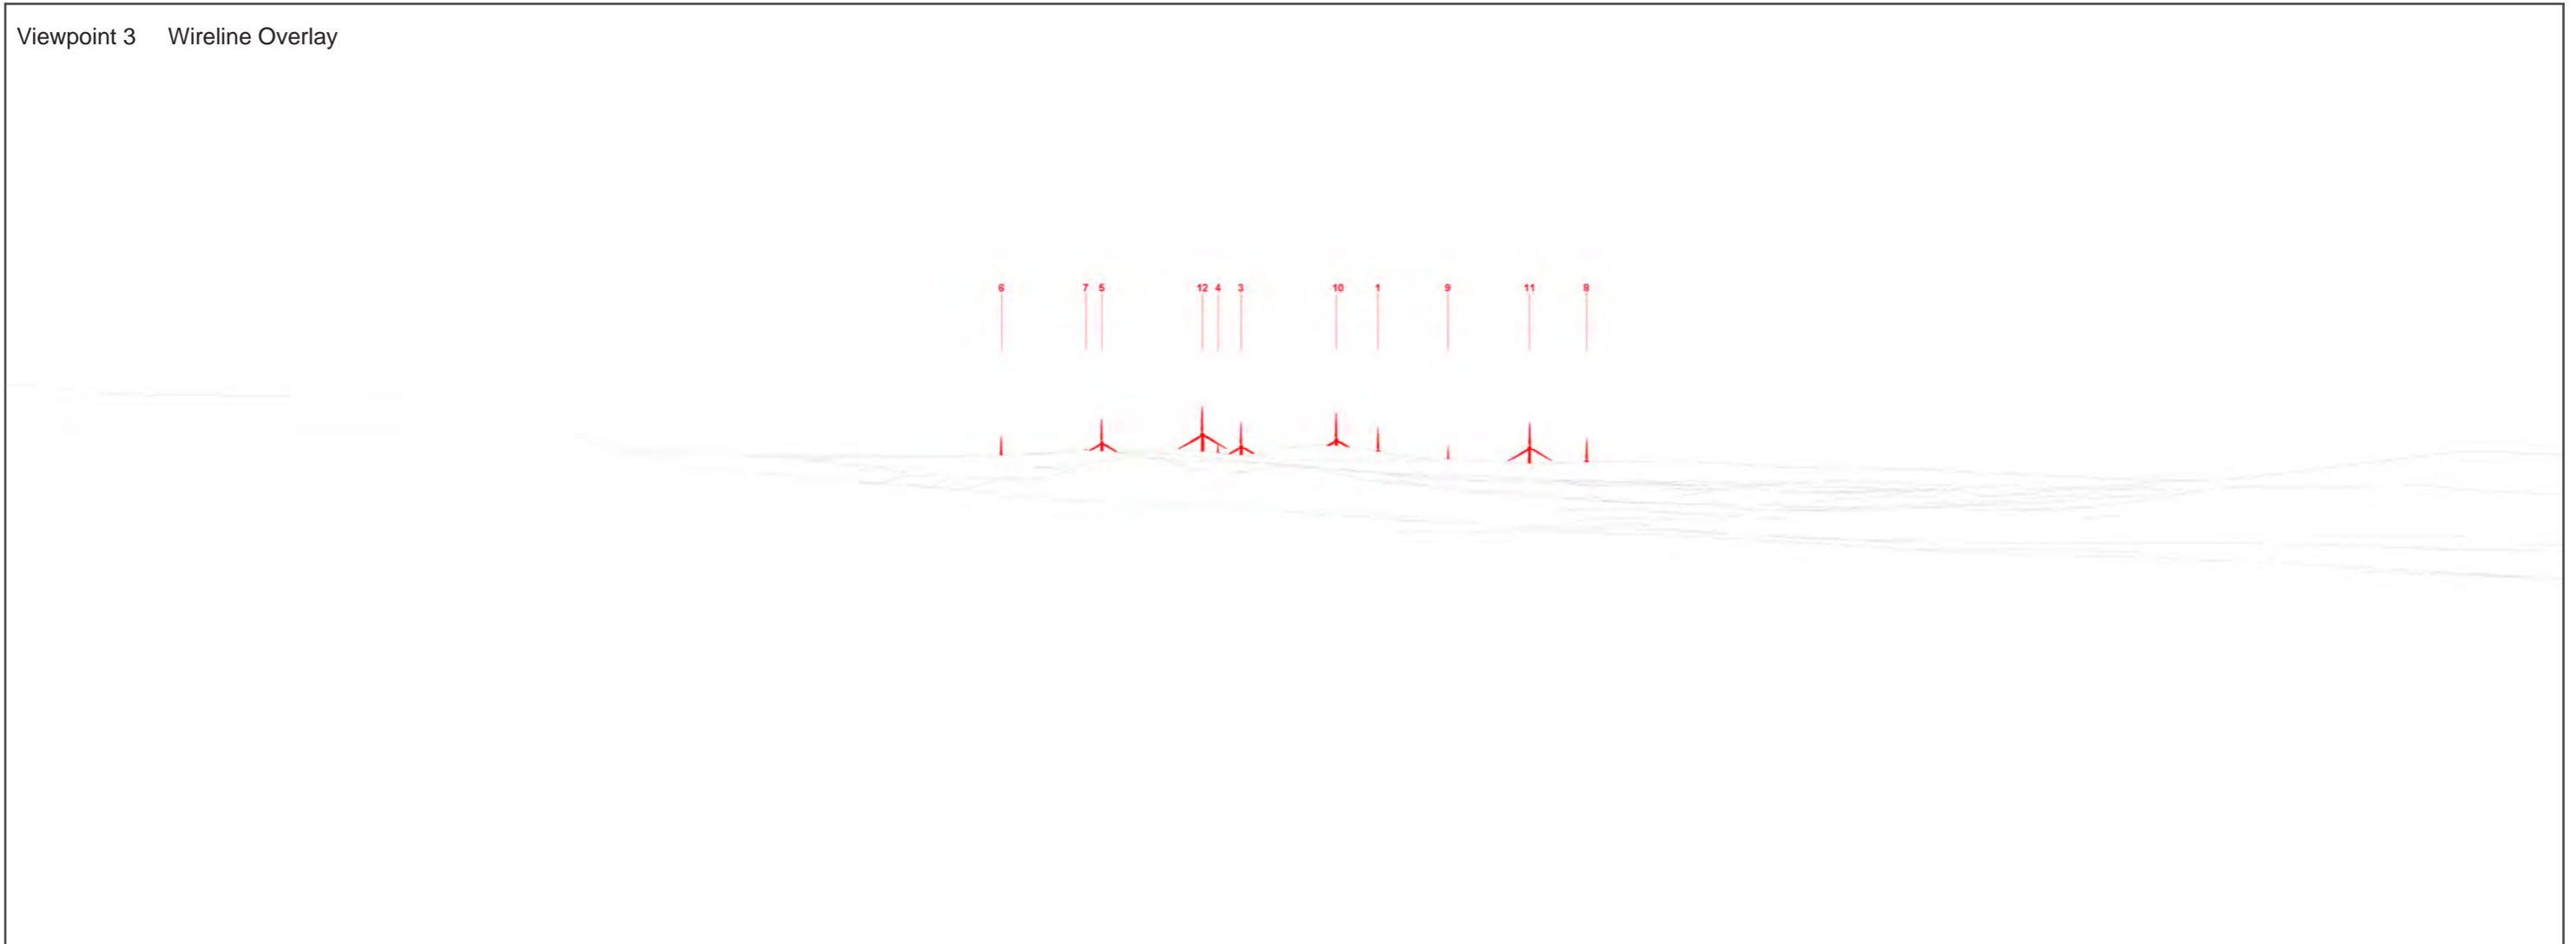

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
