This viewpoint is located approximately 12km northeast of Thurso.

Travel east out of Thurso on the A836, passing through Castletown and past the bay. As the road leaves the bay and arrives in Dunnet, turn left following the signpost to the Viewpoint. Follow the road up and then to the right, following signs for Dunnet Head. After approximately 2.3km, you will arrive at a crossroads. Turn left still following signs for Dunnet Head. Continue up to the parking area at the lighthouse. Park here.

The camera location is at viewpoint as shown in the adjacent photograph.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
