Grid Reference: 299851 955055 Distance to nearest turbine: 10568m AOD: 292m

This viewpoint is located approximately 2.8km south of Dounreay.

From Dounreay, travel west on the A836 for approximately 3km until you come to the turning off left signposted to Shebster and Westfield. Turn left here. Continue for approximately 4km after which you will come to a junction signposted right for Broubster and Shurrery. Turn right here and drive for approximately 8km after which you will arrive at Shurrery Lodge. Find a suitable place to park here. Now on foot, walk up the track that veers off right before Shurrery Lodge and continue for approximately 5km at which point you will approach Loch Scye. Just before the Loch, turn left on the track and continue for a further 1300m. The ground to the right of the track now starts to become less steep. Turn right off the track and up to the summit of Beinn nam Bad Mor.

The camera location is at the summit near to the trig point as shown in the adjacent photograph.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
