

Legend

- Site Boundary
- Proposed Development Footprint
- Turbine Location
- Red Squirrel and Water Vole Study Area (50m Proposed Development Buffer)
- Badger Study Area (100m Proposed Development Buffer)
- Otter Study Area (200m Proposed Development Buffer)
- Pine Marten Study Area (250m Proposed Development Buffer)
- Wildcat Study Area (500m Proposed Development Buffer)

Mammal Results

- Badger - Print
- Otter - Fresh spraint
- Otter - Old spraint
- Pine Marten - Old scat
- Pine Marten - Scat
- Red Squirrel - Cone feeding remains
- Water Vole - Burrow (possible water vole)
- Water Vole - Droppings
- Water Vole - Latrines and runs
- Water Vole - Latrines, burrows and runs
- Water Vole - Old droppings
- Water Vole - Possible water vole burrows and feeding signs
- Water Vole - Possible water vole burrows and old feeding signs
- Water Vole - Possible water vole burrows, runs and old feeding signs

Figure Title
Protected Terrestrial Mammal Survey Plan and Results

Project Name
Coille Beith Wind Farm

Project No./Fility ID
1620016742 / REH2024N00315
