Grid Reference: 241010 900886 Distance to nearest turbine: 2.17km AOD: 24m

This viewpoint is located approximately 2.2km East of Oykel Bridge.

Travel from Ledmore on the A837 in a southeasterly direction until you reach Oykel Bridge. Continue over the bridge and immediately look out for a track dropping down to the right. Turn right here on to the track and find a suitable place to park. Now on foot walk along the track until the very end, a distance of approximately 2.75km. Cross over the river using the bridge and turn left on to the path. Now follow the river and walk up to the monument.

The camera location is at the monument as shown in the adjacent photograph.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
