

Figure 4.13g - Viewpoint 1: Cul More Summit.

Grid Reference: 216217 911907 Distance to nearest turbine: 27.05km AOD: 849m

This viewpoint is located approximately 18km Northeast of Ullapool.

Travelling north from Ullapool on the A835 continue on until you arrive at the shore of Lochan an Ais. You will see the entrance off right for Knockan Crag Natrue Reserve. Continue on past this turning for 200m at which pont you will arrive at a layby on the left. Park here. The stalkers path up to the summit of Cul Mor can be seen heading off left from the layby.

From this point on it is strongly recommended that the user sources designated mapping for this walk. There are several websites detailing walks to the summit of Cul Mor

The camera location is just below the summit cairn as shown in the adjacent photograph.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
