

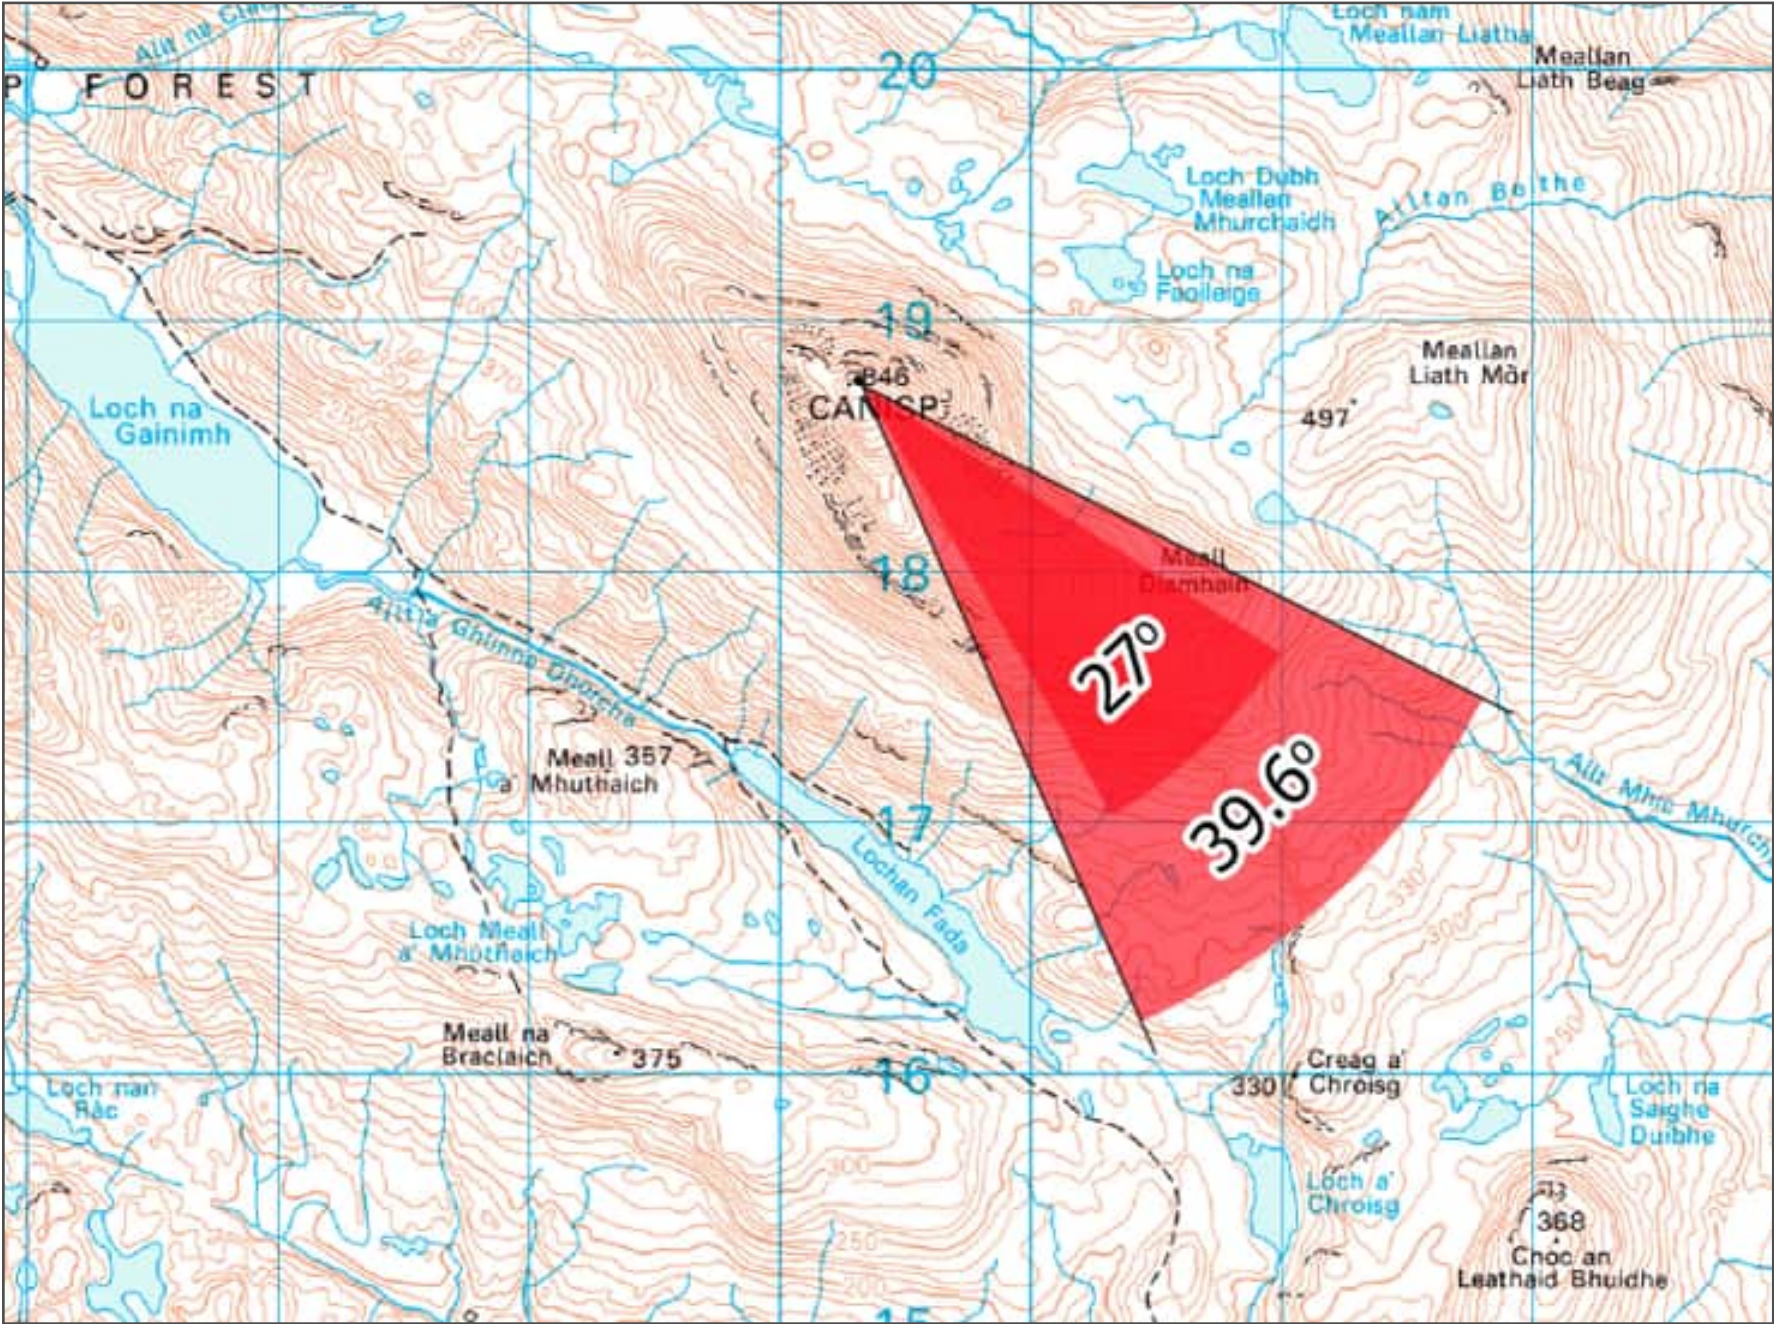

Figure 4.14g - Viewpoint 2: Canisp Summit.

Grid Reference: 220310 918758      Distance to nearest turbine: 28.12km      AOD: 847m

This viewpoint is located approximately 26km Northeast of Ullapool.

Travelling north from Ullapool on the A835 continue on past Lochan an Ais and the entrance off right for Knockan Crag Natrue Reserve. At the junction at Ledmore, turn left on to the A837 and head north for 3.5km afterwhich you will reach Loch Awe. Continue on past Loch Awe and the viewpoint layby. Appromximately 350m beyond the viewpoint layby there is another layby on the left. Park here.

From this point on it is strongly recommended that the user sources designated mapping for this walk. There are several websites detailing walks to the summit of Canisp.

The camera location is just below the summit cairn as shown in the adjacent photograph.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
