

Figure 4.16g - Viewpoint 4: Glas Mheall Mor Summit.

Grid Reference: 207632 885383 Distance to nearest turbine: 34.48km AOD: 979m

This viewpoint is located approximately 10km Southwest of Ullapool.

The viewpoint is reached from the An Teallach parking area on the side of the A832 at Dundonnell. Park you car here.

From this point on it is strongly recommended that the user sources designated mapping for this walk. There are several websites detailing walks to the summit of Glas Mheall Mor.

The camera location is at the summit cairn as shown in the adjacent photograph.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
