km Southwest of Oykel Bridge.

Westerly direction until you reach Oykel Bridge. Pass the hotel on your left and immediately before the bridge, take the minor road off right. 1km and then keep left as the track bends left and crosses over the River Einig. Remain on the main track for 3-4km passing through the woodland there is a cattle grid and some quarry workings on your left. The track is private with a locked barrier from this point onwards so

g for 1km and pass the Schoolhouse Bothy and cross over Abhainn Dubhag. After crossing the river, continue for 100-150m and then take the
ck for 800m and you'll bend around the old sheep fold. Just after the sheep fold there is a track heading north back up towards the River Einig.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
