Grid Reference: 263610 889257 Distance to nearest turbine: 22.33km AOD: 20m

This viewpoint is located approximately 3.5km Southeast of Bonnar Bridge.

Travel southeast from Bonar Bridge on the A949 towards Dornoch, Spinningdale and Wick. After approximately 3.5km you arrive at the Little Creich Cemetery on your right. Park here.

The camera location is in front of the entrance that has a line of trees passing down through the cemetery as shown in the adjacent photograph.

Extent of 50mm single frame image

A949 Approach to Bonar Bridge

Distance to nearest turbine: 22.33km Camera: Nikon Z6 Focal Length: 50mm vertical (27°) x 28mm horizontal (65.5°) Camera height: 1.5m Date: 17/09/2024 11:23

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

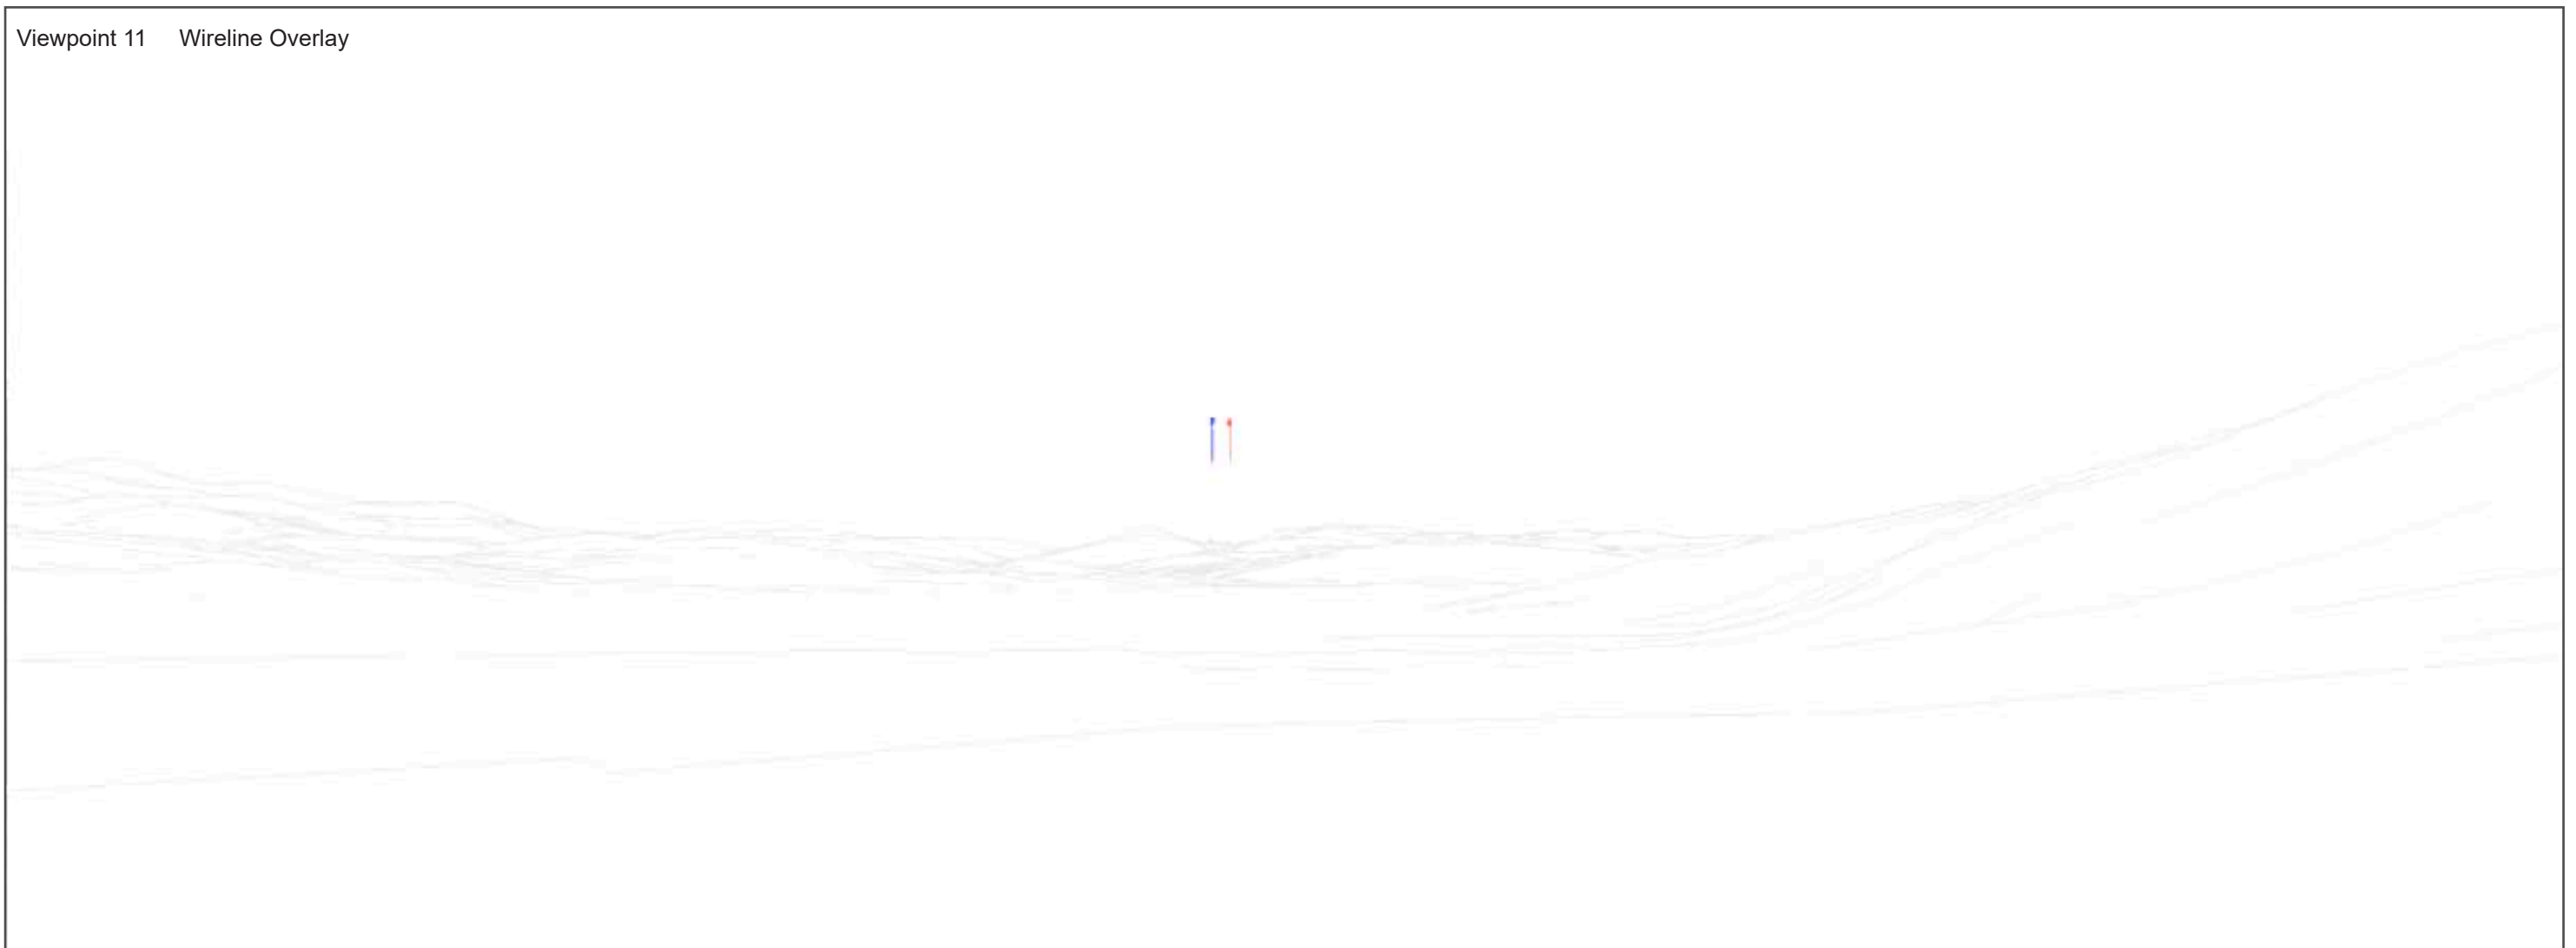

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
