This viewpoint is located approximately 17km Southeast of Ullapool.

From Ullapool, travel south to Inverlael on the A835. Once at Inverlael, park in the large car park on the side of the A835 alongside Inverlael School Hall cottages.

From this point on it is strongly recommended that the user sources designated mapping for this walk. There are several websites detailing walks to the summit of Seana Bhraigh.

The camera location is at the summit next to the stone cairn as shown in the adjacent photograph.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
