

Figure 4.33g - Viewpoint 21: A837, Loch Craggie.

Grid Reference: 232901 905174 Distance to nearest turbine: 9.60km AOD: 158m

This viewpoint is located approximately 11km Southeast of Ledmore.

Travel southeast from Ledmore on the A837 for approximately 10.5km at which point you will come to the shores of Loch Craggie. At the southern end of the loch there is a junction with a track coming in from your right. Find a suitable place on the track to park.

The camera location is on the oppsite side of the A837 a little further south from the track as shown in the adjacent photograph.

Extent of 50mm single frame image

Viewpoint 21
A837, Loch Craggie

Distance to nearest turbine: 2.11km Camera: Nikon Z6 Focal Length: 50mm vertical (27°) x 28mm horizontal (65.5°) Camera height: 1.5m Date: 17/07/2024 13:12

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
