

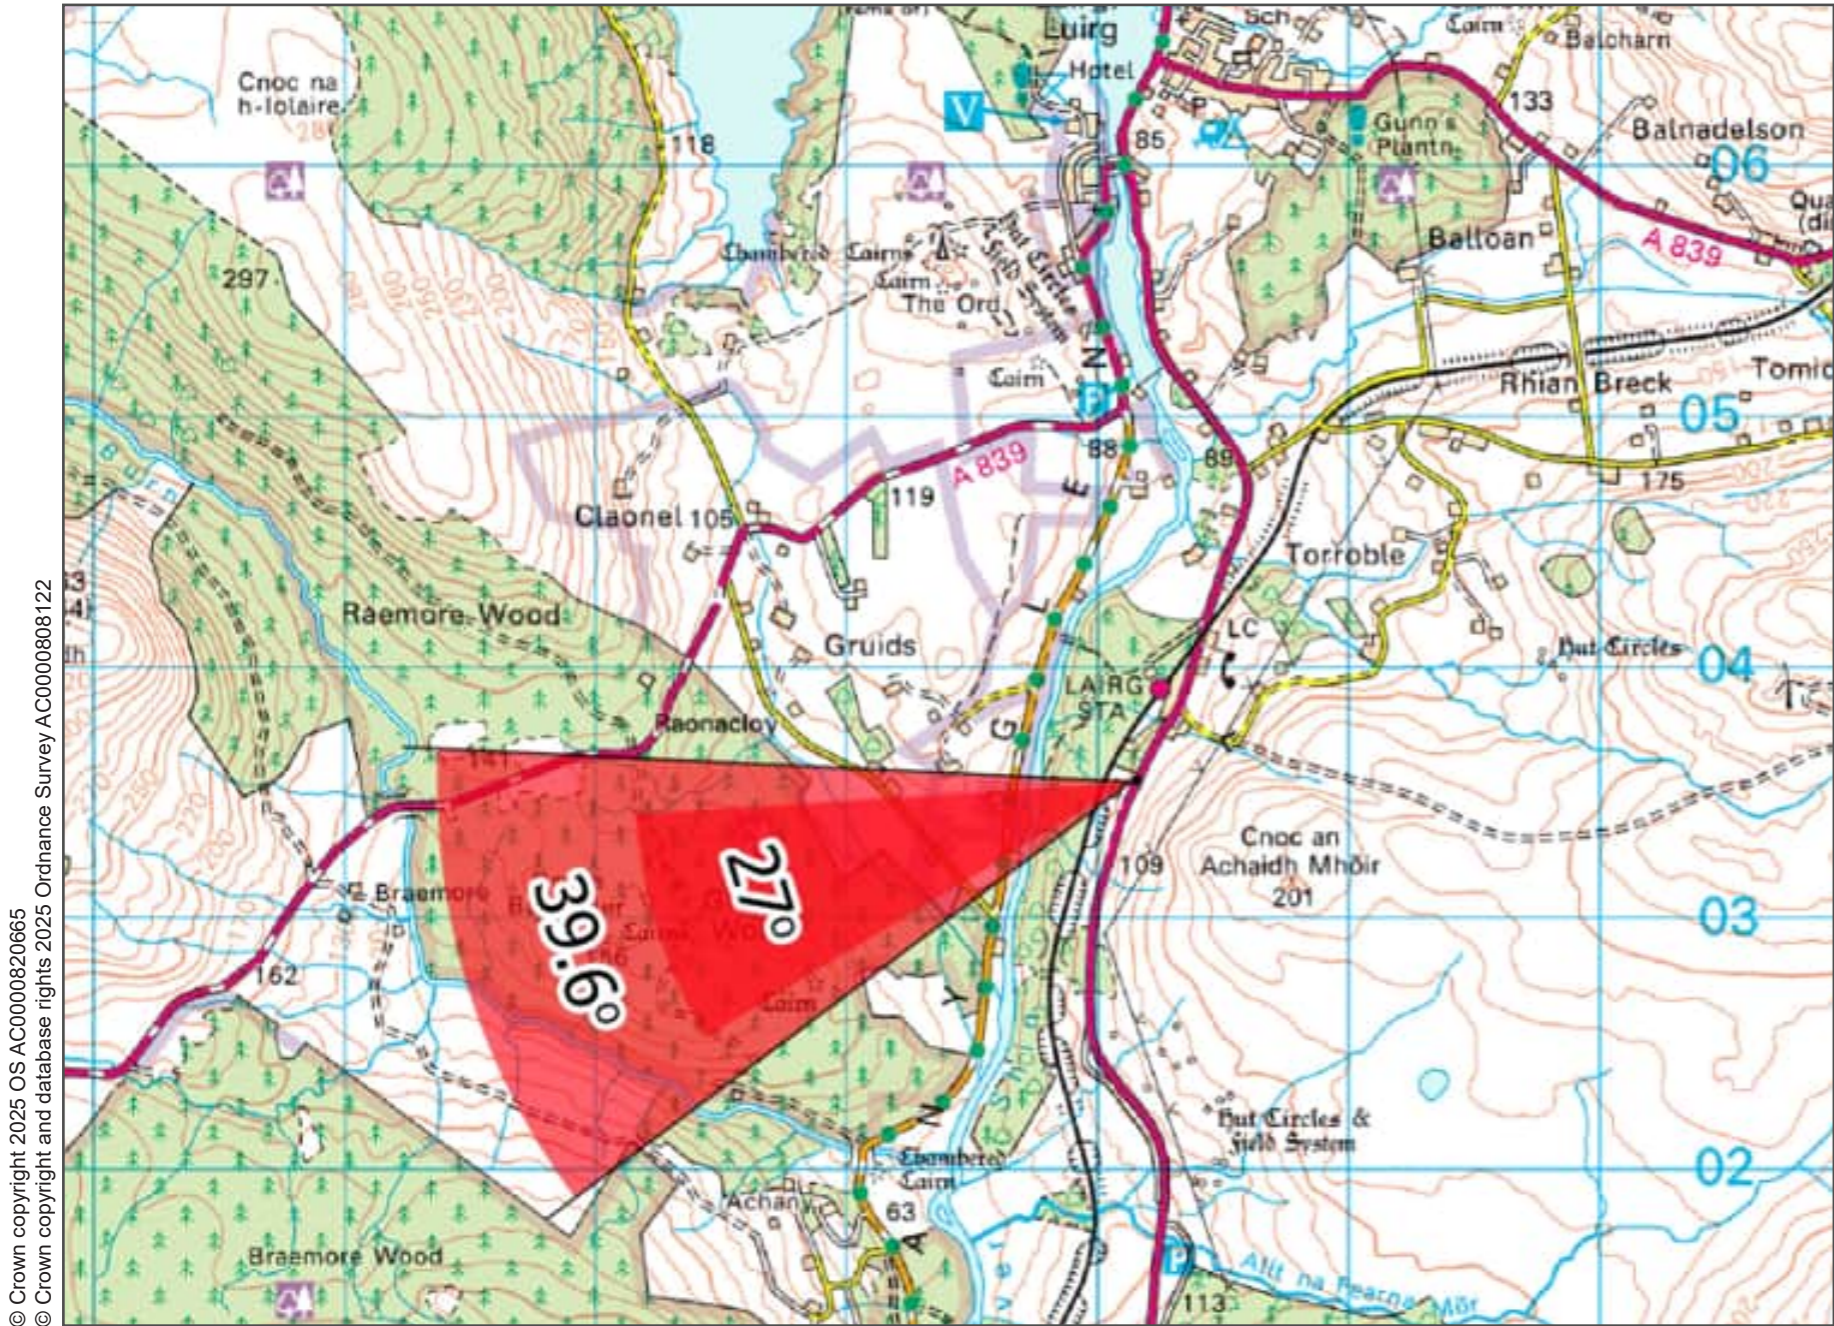

Figure 4.34h - Viewpoint 22: A836, south of Lairg.

Grid Reference: 258153 903547 Distance to nearest turbine: 15.90km AOD: 105m

This viewpoint is located approximately 2.5km South of Lairg.

Travel south from Lairg on the A836 for approximately 2.5km at which point you will pass the Lairg Auction Mart on your left. Just after the auction mart premises there is a layby on your left. Find a suitable place here to park.

The camera location is on the opposite side of the A836 as shown in the adjacent photograph.

Distance to nearest turbine: 15.90km Camera: Nikon Z6 Focal Length: 50mm vertical (27°) x 28mm horizontal (65.5°) Camera height: 1.5m Date: 17/07/2024 08:57

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
