Grid Reference: 239770 892515 Distance to nearest turbine: 4.95km AOD: 695m

This viewpoint is located approximately 8.5km Southwest of Oykel Bridge.

From Bonar Bridge and Ardgay, travel west towards Amatnatua. Head south out of Amatnatua to Glencalvie Lodge. There is a parking area just before the entrance to the Glencalvie Estate at grid reference 246432, 889146. Park here.

From this point on it is strongly recommended that the user sources designated mapping for this walk. There are several websites detailing walks to the summit of Carn a Choin Deirg.

The camera location is just down from the main summit cairn as shown in the adjacent photograph.

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
