The map displays a river section with several distinct boundaries. A green line represents the left bank, while a magenta line outlines a specific area within the river. Inside this magenta area, there are several parallel lines in brown, olive green, and red. A small orange cross marks a point on the red line, labeled 'Blade' in red text. The background is white, and the overall orientation is vertical.

Technical drawing of a road layout. A road curve is highlighted with a red line and labeled "112m". The road is bordered by a green line on the left and a grey line on the right. A small blue rectangle is located on the road curve. The drawing is labeled "Tower" in the top left corner. The copyright notice "© Pell Frischmann" is in the bottom right corner.

Technical drawing of a road layout. A dimension line indicates a length of 112m. The drawing shows a road with a central section labeled "112m" and a section labeled "112m" below it. The road is flanked by a green area on the left and a grey area on the right. A small blue arrow points to a specific location on the road.
