GB WIND FARM LIMITED ELECTRICITY ACT 1989

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997

THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND) REGULATIONS 2017

Notice is hereby given that GB Wind Farm Limited, ("the Company") with company registration number 14687295, having its registered office at 19th Floor 22 Bishopsgate, London, United Kingdom, EC2N 4BQ has applied to the Scottish Ministers for consent under section 36 of the Electricity Act 1989 to construct and operate the Giant's Burn Wind Farm at approximately 1.3 km north-west of Dunoon (Central Grid Reference 213806E, 678515N). The installed capacity of the proposed generating station would exceed 50MW, comprising up to 7 turbines, with 5 turbines having a ground to blade tip height of up to 200 metres and 2 turbines having a ground to blade tip height of up to 180 metres with associated ancillary infrastructure and Battery Energy Storage System (BESS). The proposed development is subject to Environmental Impact Assessment (EIA) and an EIA Report has been produced.

The Company has also requested a direction under section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

A copy of the application, with a plan showing the land to which it relates, together with a copy of the EIA Report discussing the Company's proposals in more detail and presenting an analysis of the environmental implications, are available for public inspection in person, free of charge, during normal office hours at:

Location	Opening Hours	Address

The EIA Report can also be viewed on the application website at www.giants-burn.co.uk or at www.energyconsents.scot under application reference **ECU00005007**.

Copies of the EIA Report may be obtained from 0800 772 0668/email: ukprojects@statkraft.com at a charge of £1,500 per hard copy or £15 on USB storage device. Copies of a short Non-Technical Summary are available free of charge.

Any representations on the application may be submitted by email to the Scottish Government via representations@gov.scot; or by post to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation.

Written or emailed representations should be dated, clearly stating the name (in block capitals) and full postal address of those making representations. Emailed representations should also include the full return email address of those making representations. Only representations sent by email to representations@gov.scot will receive acknowledgement.

All representations should be received not later than Monday 1st September 2025 although Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

Where Scottish Ministers are required to, or decide to exercise their discretion to do so, they can cause a public inquiry to be held.

Following examination of the environmental information, Scottish Ministers will determine the application for consent in one of two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal
