

- Site Boundary
- 5km Study Area
- Viewpoint Location
- Zone of Theoretical Visibility
- Area of Visibility
- Designated Landscapes
- National Scenic Area
- Gardie House Designated Landscape

NOTES:

1. Zone of Theoretical Visibility has been generated using OS Terrain 5m digital terrain model (DTM)
2. ZTV generation has allowed for the curvature of the earth and light refraction.
3. The ZTV has been generated based upon an observer eye height of 1.63m above existing ground level. Multiple points have been selected to represent the Proposed Development, including a maximum height of 12.25m above the proposed site level.
